

## A message from Sarina

*I understand first-hand the benefits of employing Indigenous Australians. Over the years, I've found that employing people from diverse backgrounds has a huge potential to positively impact the success of any business. This not only serves to enrich the workplace but also gives your business a wealth of creative problem solving, breakthrough thinking and fresh ideas. Diversity breeds success - the proof of this is clear in my organisation and can be in yours.*

**Employing Indigenous Australians benefits individuals, the community and business. Sarina Russo Job Access provides a pathway for Indigenous Australians to gain employment, develop new skills and enrich and diversify the workplace.**

## Employers can...

Employing Indigenous Australians can pay real dividends. First, you're making a positive contribution to the community you do business with. Then, you're making the workplace a richer, more diversified place. Finally, it's a smart business decision that boosts your company's reputation for sound recruitment policies and delivers training support and financial incentives.

## Financial benefits for your business

As an employer of an Indigenous worker you may be entitled to assistance of up to **\$10,000** to help with wages, training and workplace incentives.

Where Indigenous candidates are otherwise suitable, but lack some areas of skill or knowledge, Sarina Russo Job Access conduct **free of charge training**, to bring performance up to the standards required by your organisation.

*"Sarina Russo Job Access has always provided **personalised service** and a commitment to understanding the needs of our organisation.*

*They have also assisted us through their training sector, which has allowed potential employees to be trained to suit our individual company needs.*

*Their organisation has always been supportive of our **internal programs** such as the Accor Indigenous Employment Program.*

*Above all the staff at Sarina Russo Job Access has proven themselves to be **professional, efficient and committed** to providing the right person for the right job."*

Indigenous Employment Coordinator  
Accor Asia Pacific

## It can be done

*"I'd always been really interested in Tourism and Hospitality, so when I heard about the Food Prep Course that was being offered through Sarina Russo Job Access I signed up!*

*The course was excellent and when I finished I was introduced to the Indigenous Program Coordinator from Sarina Russo Job Access, who **mentored me** and helped me with all aspects of getting a job. Within three weeks of completing my course I got a job, working in the hospitality industry.*

*I would recommend anyone to sign up with Sarina Russo Job Access, because they really do want to get you into work."*
